Personal Details

Name: Nikhil CS
Gender: Male
Nationality: Indian
Marital Status: Single

Professional Summary

Detail-oriented Architectural Draughtsman with one year of professional experience at Empro Contracting , Dubai, specializing in architectural drafting, Revit-based modeling, shop drawings, and construction documentation for residential, commercial, and mixed-use projects. Experienced in preparing floor plans, elevations, sections, as-built drawings, and coordinating with architectural, structural, MEP, and interior design teams to deliver accurate drawings that meet project specifications and authority requirements. Proficient in AutoCAD ,SketchUp and Revit Architecture, with a basic understanding of Building Information Modeling (BIM) and a strong commitment to quality, accuracy, and teamwork.

Skills

- AutoCAD 2D
- Revit Architecture
- BIM Architecture
- SketchUp
- Lumion
- Site Survey
- Quantity Takeoff
- Documentation
- Estimation
- Quotation Preparation
- Site Progress Monitoring

Work Experience

- Architectural Draughtsman — Empro Contracting, Dubai, United Arab Emirates Aug 2025 – 2026

Worked on residential projects including Emaar South Villas, Damac Hills 1 & 2, The Springs Community, and Al Barsha 2. Prepared architectural shop drawings, construction documentation, and as-built drawings using AutoCAD and Revit. Developed 3D models and renderings using SketchUp and Lumion while coordinating with multidisciplinary teams. Supported villa renovations, extensions, landscaping, joinery, authority approvals, and site execution to ensure quality and compliance.

- Architectural Draughtsman — Star Hegers, Mathilakam Mar 2024 – Mar 2025

Created 2D and 3D architectural drawings for residential interior and exterior projects using AutoCAD and Revit. Assisted in space planning, layout detailing, visualization, and client presentations. Integrated material specifications and lighting layouts into project documentation while coordinating revisions based on client feedback and site conditions.

- Architectural Draughtsman — Kousikam Builders and Developers Pvt. Ltd., Thrissur Dec 2022 – Jan 2024

Prepared detailed architectural drawings and layouts for residential projects. Interpreted sketches, specifications, and technical documentation accurately. Collaborated closely with architects and engineers during project execution and revisions. Demonstrated professionalism, reliability, and consistent performance while completing assigned responsibilities.
